

Our 2-Year-Old Program

Our 2-year-old classes meet once a week for 2.5 hours. Class times are Wednesday or Thursday mornings from 9:15-11:45. The class size is 6-8 children with 2 adults. Children must be 2 years old by Sept. 1 according to Maryland Department of Education school entry guidelines. Toilet training is not required, but will be encouraged.

Key Learning Points

- Independence from family
- Share play space and toys with others
- Listen to stories in a small group setting
- Develop Fine Motor Skills
- Encourage toilet training (students must wear pull ups)
- Practice Christian values in friendship

Daily Schedule

The class structure begins with **free choice play** in our playroom where a variety of early academic topics are introduced on an individual basis.

Circle time is in an adjoining classroom where short stories, a flannel board and puppets are used to discuss topics of weather, seasons, and planned developmental lessons.

Large motor development is encouraged during outside play or during inclement weather, with hoppy balls, parachute play, tunnels, etc. in our multi-purpose room.

Snack time includes prayer and all snacks are served with milk or water. A snack calendar is posted monthly and allergies are considered. Extreme allergies may need parent participation in providing snacks.

Small motor development and following direction is addressed at craft time. It is hoped that each child will take home an activity that the child made and reflects the lesson.

Our day ends with **music, dance and poetry**. The children are usually tired and ready for Mom, Dad, grandparents or other provider to arrive.
